ABOUT

Bastion Supply & Logistics, the operating brand of PURECJ HOLDING LLC, is a service-disabled veteran-owned California small business serving the Port of Los Angeles / Long Beach complex and Southern California. Bastion operates as a working prime in **freight transportation arrangement and 3PL coordination (primary NAICS 488510) and management consulting (NAICS 541611 · 541618)** — with supply-chain consulting (541614) and facilities support (561210) — backed by 7 years of Amazon-scale operations leadership and 5+ years of small-business advisory / fractional-CFO work.

CORE COMPETENCIES

FREIGHT ARRANGEMENT & 3PL COORDINATION

- Load planning, capacity sourcing, dispatch, and tendering across a vetted SoCal carrier network (primary NAICS 488510)
- Specialty & regulated freight — bulk fuel, hazmat, refrigerated — via vetted carrier partners
- Warehousing, cross-dock & port-adjacent transload through partner facilities

★ MANAGEMENT CONSULTING · LOGISTICS & SUPPLY-CHAIN ADVISORY

- Administrative & general management consulting — org design, KPI/scorecard systems, program management (NAICS 541611 · 541618)
- Process, distribution & supply-chain consulting — operations diagnostics, route optimization, SOP build-out (NAICS 541614)
- Fractional-CFO support: pricing, margin, cash management, and budget governance

DIFFERENTIATORS

- Service-Disabled Veteran-Owned** — U.S. Army Quartermaster (92Y); CA DVBE certified; SBA-certified SDVOSB / VOSB (VetCert).
- Amazon — 7 years** across mid-mile, last-mile delivery, warehouse and yard management, sortation and reverse-logistics operations — leading teams of 600+ associates against capacity-planning, safety, routing, quality, and cost KPIs.
- Managed performance across 30+ third-party logistics partners and trained 100+ operations managers** — KPI design, scorecard cadence, process discipline.
- UCLA Anderson MBA**; 5+ years of small-business advisory and fractional-CFO work.
- Asset-light working prime** with a vetted SoCal carrier-partner network — capacity without ownership overhead; 13 CFR 125.6 / 121.103(h) compliance literacy in-house.

RELEVANT EXPERIENCE (PRINCIPAL)

Bastion is a new entrant to public-sector contracting; the following reflects directly relevant operational experience. References available on request.

- A-Game Equity Partners** (2024–present) — SoCal port-logistics acquisition advisory; specialty/regulated freight thesis.
- PURECJ HOLDING LLC** (2020–present) — small-business advisory & fractional-CFO engagements (NAICS 541611 · 541618).
- Amazon** (7 years) and **U.S. Army Quartermaster** (92Y) — operational leadership as described above.
