BASTION
SUPPLY & LOGISTICS

CAPABILITY STATEMENT

SDVOSB · DVBE · MBE · Small Business | Southern California

One accountable point of contact for getting materials, equipment and freight to the job on schedule.

Bastion takes material and equipment coordination off your plate: suppliers, haul and delivery windows lined up so what you need is on site when you need it, with cost and schedule risk flagged before it becomes an overrun.

CORE COMPETENCIES

- **Job-site delivery coordination** — suppliers, haul, delivery windows
- **Freight brokerage** — drayage, truckload, flatbed, heavy haul
- **Warehousing, cross-dock & transload coordination** — Ports of LA / LB
- **Bid support for primes** — screening, compliance, proposal packages
- **Facilities & equipment support** — maintenance, repair, janitorial via partners

CONTRACT AWARD

Riverside County Sheriff's Office

PRIME CONTRACT · AWARDED

SHARC-655 · Maintenance, diagnostics, repair and parts support — material handling and facility equipment, correctional facilities

WHY BASTION

- **Operator-led.** Principal: 7 years leading Amazon last-mile and sortation operations (600+ associates); Army 92Y quartermaster; UCLA Anderson MBA.
- **You reach the decision-maker.** The person who prices your job runs it.
- **Set-aside friendly.** As a certified SDVOSB, Bastion can count as a "similarly situated" subcontractor under 13 CFR 125.6 on SDVOSB set-asides.
- **Faster, compliant bids.** Internally developed, human-in-the-loop AI capture and proposal capability.
