ABOUT THE COMPANY

Bastion Supply & Logistics is the operating brand of PURECJ HOLDING LLC, a service-disabled veteran-owned California small business established in 2020 and headquartered in Los Angeles County. Bastion focuses on the Port of Los Angeles / Long Beach complex and the surrounding Southern California region, operating in freight transportation arrangement and 3PL coordination (primary NAICS 488510) and management consulting (NAICS 541611 · 541618) — spanning logistics & supply-chain consulting (541614), facilities support (561210), and specialty & regulated freight through vetted carrier partners. The company is built on Army logistics discipline and large-scale operations experience, and scales delivery through a vetted Southern California carrier-partner network.

ABOUT THE PRINCIPAL

Charles Liu is the sole owner and Managing Member of PURECJ HOLDING LLC. He is a service-disabled U.S. Army veteran (Quartermaster, 92Y) with seven years of operational leadership at Amazon — across mid-mile, last-mile delivery, warehouse and yard management, sortation and reverse-logistics operations — leading teams of 600-plus associates against capacity-planning, safety, routing, quality, and cost KPIs. He has managed performance across 30+ third-party logistics partners and trained over 100 operations managers. Charles holds an MBA from UCLA Anderson and brings 5+ years of small-business advisory and fractional-CFO experience. He founded Bastion to bring military-grade reliability and process discipline to port-area freight, management consulting, and facilities work in Southern California.
